RAISING HOPE

Since 1983, NFT has offered hope to patients who are fighting for their lives, by helping them overcome financial obstacles that may prevent or delay their lifesaving transplants. These patients are not searching for a cure; they already know a transplant is the answer. NFT's Raising Hope campaign is dedicated to ensuring that transplant patients are not turned away from their critically-needed treatment merely because they cannot afford it.

THE CHALLENGE

When confronted with the reality that an organ or tissue transplant can save their lives, patients also learn that even with insurance, the burdensome cost of treatment and aftercare may dash their hopes of ever receiving a transplant. The scarcity of organs necessitates that only those who can afford the lifetime expenses will be given the chance to receive a transplant.

THE SOLUTION

NFT's goal is to make the hope of transplantation a reality for patients in desperate need. Together, we can provide immediate assistance to those whose lives depend on the generosity of others. Your support to one of NFT's programs, or a gift where the need is greatest, can give the hope of life.

"I wouldn't be alive today without the help of NFT. The work they do is truly lifesaving."

- Mary Ella Douglas, bone marrow recipient, 1993

“NFT helped me fight for my life when I was going to give up. It was a tough fight, but I won. The past 12 years have been a gift. NFT never gives up on us, giving us hope, friendship and strength.”

*– Francine Corgliano Coalson,
kidney/pancreas/bowel recipient*

RAISING HOPE

HOW YOU CAN HELP

There are many ways you can help change – or even save – someone’s life. You may select any of the following funds/programs to support, or send a general gift to be used where the need is greatest.

Celebrate Life Fund – Sometimes patients and living donors encounter emergencies that require immediate help. Your gift to the Celebrate Life Fund will provide assistance with patients’ critical medications, insurance premiums and more.

Patient Community Campaigns – Your gift in honor of a specific transplant patient will bring hope to a special patient in their time of need. Supporting a community campaign in honor of a local patient enables you to directly impact a patient’s life.

State of Hope Funds – You can make a gift to bring hope to transplant patients in your home state. Your contribution to the NFT state fund of your choice will be used to provide grants for transplant patients in your area.

Transplant Challenge – NFT’s Transplant Challenge initiative addresses the critical shortage of available organ donors. Your gift to this fund will allow us to continue our outreach efforts to register new organ donors and educate the community about this need.

Home Away from Home – Your support of Home Away from Home, NFT’s partnership program with Roche, will help provide lodging to transplant patients when they must travel to receive transplants and aftercare. If you would also like to donate frequent-stay hotel points, please contact our Home Away from Home coordinator.

“Thank you for all you do. Without you, I don’t know where we would be.”

–Rose Peterson, NFT volunteer and sister of patient Lorna Jarms

Thank you for supporting NFT!

YES! I want to help NFT offer hope to transplant patients.

Please print clearly.

I have enclosed a check made payable to the National Foundation for Transplants.

Please charge my gift of \$_____ to my:

Visa MasterCard American Express Discover

Account number: _____

Expiration date: _____

Signature: _____

Name: _____

Address: _____

City/State/Zip: _____

Phone: _____

E-mail: _____

Please apply my tax-deductible gift to the following area:

The greatest need

Celebrate Life Fund

Transplant Challenge

Home Away from Home

State of Hope Funds: Please use my gift for patients in the state of _____.

Patient Community Campaigns: My gift is in honor of NFT transplant patient _____.

If your gift is an honorarium or memorial, please fill out the information below:

My gift is in honor of in memory of _____

Please send notification of my gift to the following:

Name

Address

City/State/Zip

I would like information about making a gift of stock, real estate and securities.

I would like to receive information about contributing through my estate plan and/or will.

I would like to receive additional information about NFT’s Transplant Challenge.

If you would like more information about NFT’s programs, please call 800-489-3863 or e-mail info@transplants.org.

Please remember the National Foundation for Transplants in your workplace giving campaigns! Even if NFT is not a listed organization in your workplace campaign, you can designate your gift to benefit NFT.
